Nudgee International College offers English language courses, organises accommodation and facilitates a seamless pathway to secondary and tertiary education. Upon successful completion of the school preparation program at Nudgee International College, students transfer to one of our prestigious partner schools.

Nudgee International College partners with a select number of Australia's premier day and boarding schools. Nudgee International College guarantees entry to its partner schools if students meet the required conditions for entry in the schools.

We distinguish ourselves from other institutions by our dedicated and holistic approach to guiding and supporting our students through the academic, social, physical and emotional aspects of their development, in a safe, prestigious and high quality school environment.

## Location

Nudgee International College (NIC) is one of the most prestigious English language schools for international students in Australia. Conveniently located only 10 minutes from Brisbane International Airport and 20 minutes from the city centre, Nudgee International College is a co-educational school for international students, acknowledged as being unequalled in quality and facilities. Nudgee International College is co-located with St Joseph's Nudgee College on a beautiful 136 hectare campus.

## Accommodation Options

Students studying English at Nudgee International College stay with one of our carefully selected homestay families. On completion of their study at Nudgee International College and the commencement of their high school program, students are required to live in accommodation approved by their respective high schools.

### Homestay

A number of high schools require students to live in homestay accommodation arranged through Nudgee International College. Homestay provides a wonderful opportunity for students to become part of an Australian family. Students are encouraged to communicate regularly with their homestay family in order to enjoy the true benefits of a family environment. Students are placed with homestay families located within accessible distance to the school.

### Boarding

Selected schools offer boarding facilities and students may be required to live in boarding houses upon completion of their English courses. Boarders at these schools are encouraged to participate in all aspects of college life and have a unique opportunity to forge friendships with young people from many places in Australia and internationally.

# Continuing academic success...four DUX in a row!

Nudgee International graduates continue to achieve outstanding academic results together with Australian students at our partner schools.

The DUX (top student) in three of our partner schools last year was a Nudgee International College graduate. Also, for the last four years in a row, the DUX at one of our partner schools has been our graduate.

Our partner schools consistently achieve results above the Queensland State average.
